Automated Lake Level

(518) 584-0591

The Saratoga Lake Business Directory would not be possible without the contribution of Walter Supley and his firm, the Creative Advantage, inc. It is always a pleasure to work with Walter and his staff, and we especially appreciate the creative assistance of staff member Laurie Slade. In the many years that Walter has offered his services and time to SLA, he has never once turned away from a project, but instead has enhanced our communications to a great degree. Thank you once again, Walter!
